Christin Caplan

Christin Caplan has taught dance for over 10 years. She has been teaching the Hip-Hop class MIT Physical Education since 2010. Christin's experience with dance began at a young age at the Lexington School of Ballet and continued her studies at Boston University, where she graduated magna cum laude with a B.S. in Elementary Education and a minor in Dance. Christin loves teaching at MIT. She is always amazed at how much MIT students absorb and improve throughout each quarter.
