## Bonny Kellerman

Bonny Kellerman has been teaching MIT Physical Education for nearly half a century. She started instructing figure skating when she was an undergraduate student and has been teaching at MIT ever since. In addition to instructing in MIT PE, Bonny is also the Director of Special Constituencies in Resource Development at MIT and has served in various roles during her 40+ years at the University. In her free time, Bonny enjoys adventures and has gone sailing on a 63 foot boat through the Greek Isles as well as kayaked through the Alaskan wilderness.
