**Tom Moore**

Tom Moore first began instructing dance in 1983 and has taught over 14 different styles of dance. Here in MITPE, Tom teaches ballroom dance and salsa. He has taught in PE classes since 2010 and enjoys MIT students' enthusiasm and interest in learning a new activity. Outside of instructing dance, Tom is a middle school math teacher. His favorite book is "Zen and the Art of Motorcycle Maintenance" by Pirsig. For fun, Tom enjoys going dancing with his wife, building boats, and spending time on the water. Tom's best piece of advice is to "never forget how great each day is."
